The floor plan shows a rectangular apartment layout. At the top is a large rectangular area labeled 'TERRASSE'. Below it, the apartment is divided into two main horizontal sections. The upper section contains a 'CHAMBRE' (bedroom) on the left and a 'SEJOUR' (living room) on the right. The lower section contains a 'CELLIER' (pantry) on the left, an 'ENTREE' (entrance) in the center, a 'SDE' (sanitary) area to the right of the entrance, and a 'CUISINE' (kitchen) on the far right. A small 'GT' (balcony) is attached to the kitchen. A 'BALCON' (balcony) is located at the bottom center, accessible from the entrance area. The walls are color-coded: red for the outer perimeter, green for internal walls, and blue for the entrance area. Various furniture and fixtures are indicated by simple line drawings, including beds, a sofa, a dining table, a kitchen unit, a sink, a stove, a refrigerator, a toilet, a bathtub, and a shower. Stairs are shown leading up and down from the entrance area.
